

Protecting Our Clients Is Our Main Focus

Our primary focus is protecting our clients, what they have worked for and earned, and their legacy for their family.

Our focus remains unchanged.

Your health is your most vital asset. To protect your health, our Firm is taking the following steps to protect you from spreading Covid-19 infection while following the guidelines set by our Governor.

1. If you have been fully vaccinated, you do not need to wear a face mask in our office. If you have not been vaccinated, we ask that you wear a mask to protect other clients and/or staff who have not yet been vaccinated.
2. If you are sick, please stay home and call us to reschedule.
3. We are still offering video (zoom consultations) for those who are not comfortable/able to come into the office.

We will send you an email that plugs you into a face-to-face conference. You download an app, click on the link we send you, and we are face to face!

To download and install the Zoom Application:

A. Go to <https://zoom.us/download>

B. From the Download Center, click on the download button under “Zoom Client for Meetings”.

C. This application will automatically open when you start your Zoom Meeting by clicking on the code in the email sent to you.

4. We are still sanitizing high touch surfaces in the office.
